Pres' Ponderings

Well, I had hoped to be able to start the year off on a good note with some positive news, but alas I can't.

In communications we have had from the Police and Council we have not been granted permission to run events at this stage. We are still trying to seek some information from the Police as to what recommendations (requirements) they have, and similarly from CAMS. We are still awaiting our track licence for this year (although we have paid the fee).

This means that until such time as we reach an agreement with, or comply with, any requirements we cannot hold any hillclimbs. When we know more we will meet with the Police, Council and CAMS and work out where to from there.

So, this means we will need to travel if we want some racing. What it also means is we still need to keep the hill looking OK - if it stops raining for long enough to do anything! Keep an eye on the calendar for working bee dates.

Haven't done much on the car as yet - been kept busy with other projects! Still working on it though, and I'll get there - hopefully sooner rather than later.

Don't have much else to tell you, unfortunately, but it would be good to hear what you guys are up to (and I know some of you are out and about racing!). So, put a few lines together and send them to Fletcher (and make us all jealous of the fun you are having!)

May your tyres always be round,

Adrian

Special Working Bee – Saturday 8th March

The Hill is looking worse for wear, and severely overgrown. The armco up the right hand side is very overgrown (anyone who has been out would ask what armco) and the Fork is no place for spectators (maybe snakes though). At the last club meeting we decided on Saturday the 8th of March as the next Working Bee. There's a lot of work to be done and we need lawnmowers, brush cutters, whipper snippers, etc. Hope to see you all there.

Editors Report

What a disappointing way to start the year. As Adrian has said, there will be no hillclimbs at Huntley until we can negotiate with the Police, CAMS and the Council. The fact that Huntley isn't being run doesn't mean there is no motor sport going on elsewhere in NSW. I've listed some Clubs running events in the next couple of months that may be of interest to members who want to blow the cobwebs out of their cars:

NSW Hillclimb Championship www.hillclimbsnw.com next event at SDMA 13/4

SDMA – Fairbairn Park Hillclimb www.sdmahillclimb.com next hillclimbs; 30/3, 27/4, 25/5

BLCC – Mount Panorama – www.blcc.com.au next event is an esses descent 27/4

NSWRRC – Oran Park www.nswrrc.com.au State Supersprint 30/3

MiniCC – Wakefield Park <http://www.miniclub.com.au/> State Supersprint 27/4

CAMS NSW compiles a list of all the events in coming up on their Website (under 2008 NSW Motorsport Calendar) <http://www.cams.com.au/Content.asp?PageID=StateNSW>

If anyone has anything to contribute to the newsletter, please send it to editor@wscc.org.au or call me on 0414 301321. Anything sent before the 2nd week of the month will make it into that month's newsletter.

Fletcher

2008 Calendar

	Working Bees		Hillclimbs		Club Meetings
Feb 9	Huntley Working Bee	Feb 17	Huntley Hillclimb Rd 1	Feb 27	Club Meeting (German Club)
